

EASTSIDE FC

2025 - 2026 Financial Aid Application

Scholarship Overview

Financial assistance to defray the costs associated with the club registration fee is available on a limited basis for full year team programs only, using the income eligibility guidelines of the National School Lunch Program. Selection to a team is not based on your need for financial assistance.

Scholarship will be applied to your club registration fee, in addition you will be awarded **\$750** that will be directly deposited to your team account to cover team fees. Participants are required to pay all costs in excess of the assistance provided. Should a player choose to transfer out of the club at any time, their remaining financial obligation must be paid in full before Eastside FC will release them to play at another club.

Eligibility

Please use the Income Eligibility Chart on page 2 as a guideline to determine whether you may be eligible for an EFC scholarship. We understand that families may currently be experiencing some unique circumstances that should be considered in addition to the household income. If your 2024 household income exceeds the salary levels on the Income Eligibility Chart, please attach an additional page explaining your unique situation.

Participation in Team and Club Activities

Scholarship players are expected to participate fully on the team. This means attendance is mandatory at all practices, games, tournaments, and team social functions unless arrangements are made with your coach. In short, you are expected to be a good teammate.

Parents of scholarship recipients are encouraged to find opportunities to volunteer in the club or on their team. There are a wide variety of volunteer opportunities available.
